DOCKET CONTROL

Dear Commissioner Forese:

For the past two years, I have had the privilege to serve as the City of Chandler's liaison to both the community and Salt River Project as SRP began a process to site new 230 kV power lines through our City.

While this process has been challenging at times, we commend SRP for listening to us and our residents. They were extremely thorough in their community outreach efforts, and ultimately chose routes that will be the least impactful on our residents. We fully support their decision.

Speaking with hundreds of residents and SRP officials these many months has given me a strong insight as to the decision before you, and the routes presented are truly in the best interests of the region. Please call me anytime if you would like to discuss this further.

Sincerely,

Rick Heumann
Chandler City Councilmember
